\$50 REWARD FOR DESERTER

The authorities of Uncle Sam are now looking for Joe Owen who was sent from Hopkinsville to Camp Taylor in the last quota sent from this county. Mr. and Mrs. James D. Hill have returned from a week's visit to relatives and friends in Webster county.

DANDELION 39 INCHES LONG

Geo. E. Gary, yesterday pulled up in front yard of his beautiful South Main street home an unsightly dandelion that was marring the beauty of the bluegrass. It projected about 5 inches above the ground and when pulled it brought with it a single tap root that measured 34 inches after a part of it had been broken off somewhere down in the direction of China. It was a "dandy" and that's no "lyin'."
